GRUBER-DESIGN®

2150mm

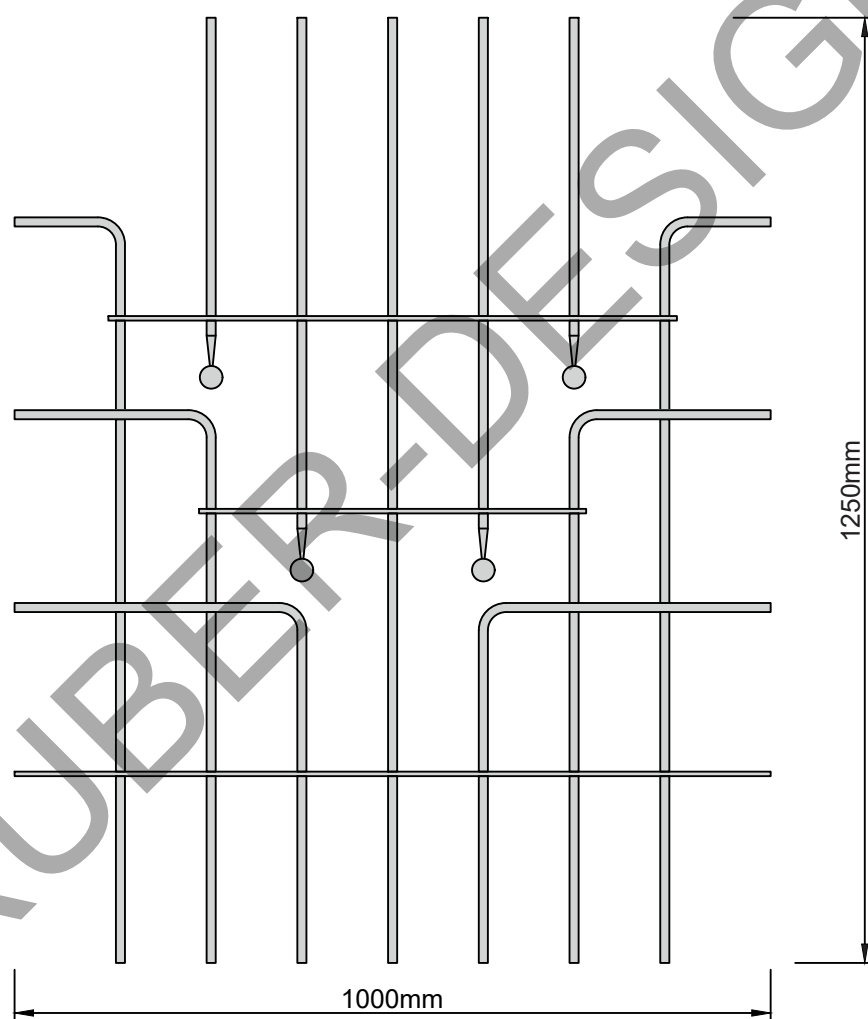

Technical drawing of a wall-mounted shelf system. The drawing shows a grid of vertical and horizontal lines representing the shelf structure. The vertical dimension is labeled 2150mm, and the horizontal dimension is labeled 1000mm. The drawing includes several horizontal shelves and vertical supports. A diagonal line is drawn across the grid, and a small circle is marked at the intersection of the diagonal and the vertical line. The drawing is annotated with the text "maßen" and "age!" in blue. A large, diagonal watermark "SUBER-DESIGN" is visible across the drawing.
